

California State Membership Committee

Mining Your Roster Questionnaire and Chapter Assessment

This questionnaire is designed as a guideline for those who have been using **Mining Your Roster**. It's a valuable tool to use when Chapters request help from the State Membership Committee and you're meeting with the line officers and/or Chapter Membership Committee. A relaxed social setting with face to face contact is best for meeting with them and reviewing their roster and Chapter membership health.

Chapter/# _____

Date: _____

Location: _____

1. Leaders of Chapter:

2. When Chapter meets:

3. Number of meetings in the last year with no quorum:

4. Member Profile

- Number age 50+
- Average attendance at meetings
- Number belonging less than 10 years
