

CONNECTING TO YOUTH GROUPS AND LODGES

Begin by contacting the presiding officers, the Worshipful Master, Bethel Guardian, Mother Advisor, or Chapter Dad and ask them what you can do to help them.

Ask for the dates and times of their meetings and special activities. PLEASE do not schedule events to conflict with these dates, if possible. Read their upcoming events under Communications in Stated Meetings and attend when possible. Be nice, friendly and wear a smile when you are with them. Invite them to your Chapter's social activities and send them details of your events so they can attend. THEY ARE EASTERN STAR'S FUTURE, SO LET YOUR STAR SHINE!

- Invite Youth and Lodge liaisons to speak for a few moments before or during your Stated Meeting.
- Offer to buy pizza or dessert for Youth on their meeting nights.
- Offer to work in the kitchen to support the Lodge's activities.
- Plan a luncheon to honor Youth or Lodge.
- Deliver surprise goodie bags to your Lodge's Officers.
- Volunteer to serve on Youth boards/councils or to mentor their members.
- Give names of potential members to Youth leaders.
- Ask groups if they would like to participate in joint service projects.
- Ask them to present a special ceremony, such as the Flower Talk or Mother's Ceremony, either in-person or virtually at your Chapter.
- Send care packages to Youth going away to college, the military, or moving into their first apartment.
